Requests for information

- Requests for information must be in writing and include the enquirer's name and address (a contact telephone number would be helpful though not essential).
- Requests can either be in paper format or in electronic format via e-mail.
- When requesting information, the enquirer does not have to mention the Freedom of Information Act nor the reason(s) why the information is sought.
- The enquirer does not necessarily have to be resident in the parish of Forsbrook.
- The enquirer can be an individual or an organisation.
- The Parish Clerk is responsible for responding to requests.
- All responses will be in writing.
- Forsbrook Parish Council has a duty to respond to all requests by informing the enquirer whether or not it holds the requested information and then supplying the information (except where an exemption applies).
- Charges can be made in respect of disbursement costs (copying, printing, postage etc) to reflect the costs incurred in meeting a request.
- Requests can be denied if the staffing cost necessary to retrieve/supply the information is greater than £450 or 18 hours (as per exemption 12). Alternatively, a fee notice can be issued setting out the intended amount to be charged for the supply of the requested information.
- Requests can be denied (wholly or in part) if an exemption applies. The Freedom of Information Act contains 32 exemptions but not all of them are applicable to Forsbrook Parish Council. The exemptions that are most likely to apply to Forsbrook Parish Council are listed below (the list is not exhaustive). (i) If the request exceeds the cost limit (as already mentioned). (ii) If the requested information is accessible by other means. (iii) If the

requested information is intended for future publication. (iv) If the requested information would prejudice the effective conduct of public affairs.

□ Requests for personal information in respect of the enquirer him/herself cannot be dealt with by the Freedom of Information Act. Such requests should be submitted in accordance with the General Data

Forsbrook Parish Council is statutorily obliged to respond to requests within 20 working days. The day after the request is received is the first day of the 20 (working) days.

□ If a request is too vague and/or insufficiently clear, the enquirer will be contacted for clarification. However, the 20 days response timescale would commence the day after a sufficiently clear request has been received.

□ If Forsbrook Parish Council does not hold all the requested information, it will supply the information it does hold and provide guidance as to whom to contact to obtain the remainder of the information.

□ If the response is not satisfactory, the enquirer can request a review by contacting, in writing, the Chairman of Forsbrook Parish Council at their home address which is listed on the Parish Council webpages.

□ If a review is requested, it will be completed within 20 working days (or within 40 working days in exceptional cases).

□ If the review(s) is not satisfactory, the enquirer has a right of appeal to the Information Commissioner.
