1. Welcome and Introductions:

KF Welcomed everyone to the meeting

2. Apologies:

Cllr Bell – Checkley PC Vice Chair

3. Declarations of Interest:

Cllr Flunder	Neighbourhood Plan Updates	Current Chairman of Checkley PC NP Steering Group
--------------	----------------------------	---

4. 2023 Review of Parliamentary Constituencies:

CKF advises that Checkley PC are not happy with the proposed boundary and have submitted a letter. Would like to know how other councils feel and if they would like to do something collectively.

IH agrees that we need to do something together and very soon.

TH has already spoken to Cllr Deaville who is also keen to do something about this. Cllrs Deaville and Flunder should take the lead with the support from himself and fellow District Councillors Herdman, Hulme, Wilkinson and also Cllr Ross Ward.

DP and DW advised this issue is on the agenda for their next ordinary meetings and will speak to council regarding an element of decision making outside an ordinary meeting due to time restraints.

Virtual meeting to be arranged initially by CKF & TH with support from SMO if required. Parish Councillor support also recommended. CKF to organise figures in preparation for this meeting.

5. Highways:

Hedges and grass verges an issue.

In light of the recent planning application for additional 200 homes by St Modwen DP to arrange a meeting to discuss the junction and footpath. DW asked if Draycott could also be invited to this meeting.

6. Neighbourhood Plan Updates:

CKF advised that Checkley PC's policies and rationale has gone for screening to SMDC and there is a steering group scheduled for beginning of September to prepare for 'Regulation 14.'

DP advised that due to restricts and no meetings Forsbrooks plan is currently on hold.

DW advised that due to steering group chair resigning and several councillors stepping down Draycott's is also currently on pause.

7. Masterplan Response – Email David Davies:

All agreed it was a page of nothing so CKF will pass to Ben Heywood at SMDC planning.

8. Forsbrook Community Asset Update:

CKF advised that a bid has gone into the police commissioner's office for approx. £400k. Waiting to hear if accepted.

9. Open Floor:

CKF would like Car Parks Working Group and Cheadle Stakeholders Working Group on the next agenda.

TH will look into Cheadle Stakeholders Working Group and come back and advise why Parish Councils have not been invited.

10. Next Meeting:

TBA – Hosted by Draycott.

Meeting Closed 8:02pm
